

SEO Case Study

Medical Spa

Campaign Information

Industry: Salon & Medical Spa

Location: The Woodlands, TX

SEO Hours per Month: 14

Campaign Type: Local

Goal: Build online reputation and bring in more clients

Strategy

To build relevance and trust online, specifically for their extremely competitive keyword choice, we created new, engaging copy for their service pages, wrote multiple blog posts, submitted to dozens of business directories, improved their site speed, and built an impressive backlink portfolio. Despite the hardships created by COVID-19 in 2020, the client's organic traffic increased 28% year over year for Q1 and Q2.
